Remarks

This breathtaking modern Farmhouse rests on a private 1.6 acre lot ready for immediate occupancy. Set on the location of the original Walker Farm this expertly designed and quality crafted home boasts a beautiful 60 foot farmers porch and four floors of finished living space; with 3.25" wood flooring throughout, custom millwork, and three gas fireplaces. The Gourmet Kitchen includes 2 dishwashers, Subzero, Wolf cooktop, and direct access to the stone patio for el fresco dining overlooking the professionally landscaped yard. The first floor includes formal and informal living spaces, dining room and a private study. The second floor has 5 bedrooms including a spacious fireplaced master suite complete with walk in closet, large bath, and built-in coffee bar. Finished lower level includes exercise room, family room, pre-wired media room, and a full bath. Enjoy 2nd floor laundry, finished 3rd floor bonus space, and a 3-car garage. Home is convenient to shopping and major routes.
